*Savings based off of individual a-la-carte pricing. Due to the bulk discount pricing on these kits, no refunds, partial refunds or exchanges on any unpainted eggs within a kit will be made at any time. No additional coupons or discounts are valid in conjunction with this kit offer. If you are upgrading entire order to larger eggs, you may want to purchase additional paint pots (about 30% more). Kits are for take-home only, not valid for in-studio painting.

Never use any paints other than the ceramic glazes provided to you from Pottery Piazza. Acrylics and other common craft paints and materials are not compatible and cannot be kiln-fired.
