

POTTERY PAINTING FIELDTRIPS

FOR YOUR SCHOOL, DAYCARE, OR ORGANIZATION!

Help children to expand their minds creatively through pottery painting. Learn the process of painting ceramics and how it turns into a fired, functional piece of usable art! Also great for Mother's Day, Father's Day & Holiday Projects!

"DO-IT-YOURSELF" POTTERY TO GO KIT: Our most popular option! Pick up pieces and a paint kit and hold your field trip wherever and whenever you want! Borrowed kit includes all instructions, paints and brushes, can be reserved with as little as 24-hour notice and kit can be kept for 3-5 days for maximum flexibility. Great for groups of 8—200!!

IN-STUDIO: We provide all the materials and children can experience the artistic atmosphere of our studio. Bring up to 50 students to our large studio for a 1-to-1.5-hour painting experience! We'll also give a complimentary "Behind the Scenes Tour". Please be sure you have adequate supervision to meet state laws. No minimum # painters for non-profits.

IN-SCHOOL: We can bring the entire painting experience to your school. All materials are provided. There is a 20-painter minimum per location. If held in your multipurpose room, we can teach up to 90 children at a time! Classes are one hour in length and must be held in a space dedicated to this activity. Again, please be sure you have adequate supervision. Please allow up to 15 minutes for set up and 15 minutes for clean-up.
