

Now you can have a pottery painting party at your house, at your convenience! With The Pottery Piazza's

## "Party To Go" Kit

you get everything you need to host your own pottery painting party at home! It's so fun and simple. Just purchase your pottery and we'll give you a kit filled with paints, brushes and utencils and when you are done painting, just bring it back to us. We'll glaze and fire your pottery in our studio and it's ready to be picked up within a week! "Pottery To Go" parties are great for slumber parties, nights in with friends, holiday parties, office or group meetings, or just getting the family together to paint! And don't worry... all our glazes are washable! Take as long as you want to paint it! Bring the kit and pottery back in 3 to 5 days when you're finished!

Cost for Party to Go is the price of the pottery (your choice of pieces) plus \$4 per piece to cover the cost of paints, materials, glazing and firing of that piece. There is an 8 piece minimum to borrow the "Party To Go" Pack. There are no additional charges when you drop off your pottery for firing or pick up the finished pieces. Refundable deposit is required to borrow kit.

**Book your Party to Go today!**
